

Launch of Spirit Boreal Site Services

October 11, 2023

FOR IMMEDIATE RELEASE

Fort McMurray, AB — Sherri Payne, Founder and CEO of Dene Sky Site Services, announced this week that she will officially be launching her new business, Spirit Boreal Site Services, as of October 1, 2023.

Spirit Boreal Site Services is built on a solid foundation of nearly two decades of serving the oil and gas industry and reflects the company's continued commitment to providing reliable and efficient site services.

Dene Sky Site Services was established in 2005 as a privately owned First Nations business with a focus on earthworks, road construction and maintenance, specialized welding, site development, plant maintenance and labour services. It later partnered with North American Enterprises to become Dene North Site Services.

Today, Spirit Boreal Site Services continues to provide comprehensive site services rooted in safety, excellence and customer service.

"With a new energy and a new name, I am excited to announce the opening of Spirit Boreal Site Services," says Sherri Payne, Founder, Owner and CEO at Spirit Boreal Site Services.

"I look forward to supporting and managing our new business in Northern Alberta," says Norman Payne, President at Spirit Boreal Site Services.
